For the 2016-2017 school year, The Respect Program sponsored by J.P. Mascaro & Sons will be offered as a field trip to our corporate headquarters in Audubon, Pennsylvania. The program will continue to be free of charge. The only cost that each individual school will incur will be the cost of transporting your students to our location. We will provide a pizza lunch for all of the students and chaperones.

## Program Details

The Respect Program is an interactive assembly designed for students in the second through fifth grades. The purpose of the program is to teach students about respect for people, property and the environment in a fun and engaging way. At the end of the presentation, students will enjoy a special visit from our program mascot Dumpo the Elephant.

## Field Trip Details

All field trips will be scheduled with an arrival time of 10:00AM or 10:30AM. The assembly will last approximately forty-five minutes and will be followed by lunch. You should expect to be on location for no longer than two hours. The maximum group size that we can accommodate at one time is 90 individuals. Please call to discuss options if your group is larger than 90.
